Target Audience

This activity is beneficial for pharmacists practicing with 5-7 years of post-degree pharmacy practice experience in a clinical or management pharmacy position within a health-system, or a pharmacist who is seeking self-improvement to assume greater pharmacy leadership responsibilities.

Accreditation for Pharmacists

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Each PLA module provides 9 hours (0.9 CEUs) of continuing pharmacy education credit. Participants are required to complete all components of each module to earn CE credit; partial credit is not offered.
